2018 Caritas Foundation Education Scholarship Winners

Each year, resident students between the ages of 17 and 25 who will be attending a post-secondary educational institution for the Fall Semester, are encouraged to apply for The Caritas Foundation Education Scholarship.

This year, the Foundation received more applications than any other previous year.

This year, each applicant was asked to submit an essay on the following:

“Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?”

The personal statements and essays we received, were truly inspiring. It is amazing to see young adults in our own communities have such a passion for education! We are all very proud of these students.

After carefully reviewing each application, it is our pleasure to congratulate the following accomplished students who were awarded our 2018 Caritas Foundation Educational Scholarship:
